Dashboard

In the dashboard you can find the recorded videos. As an agent you can see assigned videos.

The screenshot displays the SynCall dashboard interface. On the left is a dark blue sidebar with the SynCall logo and navigation links for Dashboard and Settings. The main area has a dark blue background with a section titled "All Videos" containing two video thumbnails. The first thumbnail, labeled "sales emondelli 2022-06-13T23:0... 00:17", is highlighted with a red border. The second thumbnail, labeled "sales emondelli 2022-06-13T23:00:08.266Z", shows a video player interface. On the right is a white sidebar with a status bar at the top showing "Available" and icons for call, chat, and settings. Below this is a "Welcome Enrique" message with a chat icon, and two buttons labeled "Quick connects" and "Number pad". At the bottom left, a blue bar identifies the user as "emondelli agent" with a small icon.
